Part Four

Harms and measures

04 Harms

Especially for children

- Parents' divorce does harm to their children's mental health.
- Some children will have a sense of self-abasement and be unsocial.
- They will distrust marriage. Therefore, most of them are also more likely to have a losing marriage in the future.

04 Measures

- ◆ **Governments** : Complicate the procedure to sue for divorce to leave more time for couples to think about their marriage.
- ◆ **Couples** : Try to be more rational instead of emotional, and try to understand each other, and try to resist the temptation and be loyal to marriage.

Most Importantly

Everyone has the right to pursue happiness and marriage of high quality, so also we have nothing against divorcing after careful consideration to live the life people want.
