with, participate in,  
be furious to

# Language points

1. It is hardly surprising **that** when I first entered physical education courses in the eighth grade my coaches were markedly unimpressed or **that** thereafter ...

2. These limited **alternatives** were repeatedly justified as teaching me how it is out of in the “real world”, in “the game of life”, allegedly **divided** between the participators and watchers.

3..and perhaps thereby he **could have teased** me into the discoveries...--  
**subjunctive mood**

# Structure of the text

**Part 1( para 1) :**His memory about his coaches and the reason why he wanted to write this artical

**Part 2(para2--para3)**His physical educators ignored his physical needs and gave him limited alternatives.

**Part3 (para4--para5):**His nowadays life and the comparison between his ideal coaches and real unimagivative coaches

# Summary and comment

This article tells a story about a fat boy who was unimpressed by his physical educators for a long time. He thought the physical education caused many troubles. He wanted to stop this system hurting other fat boys, so he wrote this article.

lack of responsibility

don't treat everyone equally by himself to take advantage

unimaginative

of himself

force him to compete

lose confidence

and few sports to play...

- 大白说：我长成这样是为了让人看起来更想拥抱
