Some comments

Entrepreneurs & Merchants 's differences

Money is less important

Contribute to the society

This is why they are well-known (change the society or lead the society's revolution)

- **An merchant may be not a good entrepreneur, but an entrepreneur must be a good merchant .**

The more they earn , the more they return.

- **Profit is not conflict with the social returns.**

What we learn

- Pay attention to our hobbies.
- Learn from both books and the society.
- Hardworking doesn't hurt anyone.
- Failure is not terrible, terrible is fear of failure.

Thank you!
